TO WHOM IT MAY CONCERN

Dear Sir/Madam,

**INVITATION: GEOLOGY THIN SECTION PREPARATION MACHINES & SUPPORT**

The University of the Free State (UFS) is inviting qualified service providers based in South Africa to submit their company profiles and contact details. These details will be used to invite providers for the provision of specialized geology equipment and services related to Thin Section preparation machines, polishers, and associated consumables when the need for quotations and tenders arises.

Please note that this will not be an exclusive list. UFS reserves the right to invite any contractor it deems appropriate. It is the responsibility of the contractor to inform UFS of any changes to their contact details and addresses.

**Closing Date: 8 November 2024**

**Closing Time: 23:59**

**Electronic submission: [Tenders4provisioning@ufs.ac.za](mailto:Tenders4provisioning@ufs.ac.za)**

**No late submissions will be accepted.**

Interested contractors are invited to send their company profile including contact details to Theresa Potgieter at [Tenders4provisioning@ufs.ac.za](mailto:Tenders4provisioning@ufs.ac.za).
